

Year 1 – Option 1 – Junk model using different materials and label them.

Year 1 – Option 2 – Find out about how a material was invented and by who.

Create a fact file about your chosen material and include any interesting facts.

KS1 - Homework Web – Autumn 2

Year 1 Autumn 2 – Everyday Materials

Autumn 2 – Animals – survival and growth

Please choose 1 of the following projects to complete to help further your knowledge and understanding of this half term’s Animals topic. **Alternatively, if you would like to complete a different related project, you can surprise your teacher with that instead.**

All homework should be completed to the best of your ability and handed in prior to the last phase assembly of the half-term.

Year 2 - Option 1: Create a model life cycle of an animal including humans.

Research different life cycles of animals and create a model of one. Use any media you would like, pencils, paints, playdough... Be as creative as you’d like!

Year 2 - Option 2: Create your favourite pet.

Research different pets and choose one to create using junk modelling.
