

Health & Safety Policy September 2024 Mrs Ronnie Slater

Introduction

This policy has been developed in accordance with the Health and Safety at Work Act 1974. The aim of the policy is to ensure that all practical steps are taken to ensure the health, safety and welfare of all persons using the school.

We get access to competent health and safety advice and support via Bolton Council's Health and Safety Team:-

Office 41 Ashburner Street Bolton BL1 1TJ

Tel: 01204 33 6968 Email: <u>CHST@bolton.gov.uk</u>

1. Policy Statement

The Head teacher, SLT and all staff at the Gates take Health and Safety seriously. To help us maintain our safety record we will establish and maintain in so far as is reasonably practicable:

- An environment which is safe and without risk to health;
- Safe working procedures among staff and students;
- Health and safety arrangements for the handling, storage and transport of articles and substances;
- Safe means of access to and egress from the school.
- To ensure, as far as is reasonably practicable, the provision of information, instruction, training, and supervision to enable all staff and pupils to avoid hazards and contribute positively to their own health and safety.
- To teach safety where appropriate as part of the curriculum.
- To follow the LA accident/incident/injury reporting procedures.
- To provide and maintain, as far as is reasonably practicable, adequate welfare facilities for staff and pupils.
- To lay down effective procedures to be followed in the case of communicable illnesses and similar.

2. Arrangements

| 2.1 Roles & Responsibilities | | |

3. The Governing Body

The ultimate responsibility for ensuring a safe and healthy environment within the school rests with the governing body. The governing body should:

- i. Participate in termly walkarounds of the site raising H&S concerns with the Business Manager
- ii. Participate in termly PFB meetings to ensure that concerns have been acted upon
- iii. Act as critical friend in relation to H&S matters
- iv. Discuss H&S matters at FGB seeking clarification where needed

4. The Head Teacher

The Head Teacher has overall responsibility for the application of this policy. The Head Teacher shall:

- i. Take appropriate action immediately when any hazard is reported to him which could cause a serious accident or incident until he is satisfied as to its safety;
- ii. Make recommendations to the governing body for additions to or improvements to the school's safety management system;
- iii. Report on safety and welfare matters to the governing body.
- iv. Ensure that staff are appropriately trained and informed on health and safety matters.
- v. Ensure clear roles and responsibilities with regard to health and safety and ensure delegation is appropriate to their role.
- vi. Ensure effective processes for monitoring the activities of contractors whilst on site
- vii. Ensure effective arrangements for monitoring the activities of other building users whilst on site
- viii. Ensure that appropriate funds are allocated in the budget to ensure effective health and safety procedures, repairs and maintenance in the school.

5. The School Business Manager

The School Business Manager has responsibilities delegated by the Head Teacher to:

- i. Be the focal point for day-to-day references on safety and give advice or indicate sources of advice;
- ii. Co-ordinate the implementation and monitoring of safety procedures;
- iii. Maintain contact with outside agencies able to offer expert advice;
- iv. Oversee regular inspection of the school and check practices in it;
- v. Ensure that accidents and hazards are recorded, reported to the Local Authority
- vi. Investigate any specific health and safety issues and take remedial action
- vii. Co-ordinate and disseminate information to relevant parties, keeping herself up to date with local and national guidance.
- viii. Monitor the health and safety budget to ensure best value and appropriate spending.
- ix. Provide an induction to all new members of staff setting out their H&S responsibilities

6. The Site Manager

The Site Manager has a responsibility:

- i. To undertake regular checks in order to ensure, as far is reasonably practicable, the safety of the school building and resources.
- ii. To record safety checks and rectify issues or report them directly to the School Business Manager or Headteacher.
- iii. To ensure appropriate tests with regard to the prevention of Legionella are undertaken and recorded and any issues rectified or reported to the School Business Manager or Headteacher.
- iv. To check that safety data heets are available for all potentially dangerous substances brought onto the premises.
- v. To ensure the correct storage and disposal of any hazardous substances and take stock checks of these substances on a monthly basis.
- vi. To ensure risk assessments are in place for the activities he completes and for the work equipment used.

7. All staff

Staff must:

- i. Must look after their safety and the safety of others on site
- ii. Follow procedures put in place to ensure that they are working safely
- iii. Not interfere or remove anything put in place for health and safety reasons (e.g. moving fire extinguihers, propping open fire doors)
- iv. To know the special safety measures and arrangements to be adopted in their own working area and to ensure they are applied;
- v. To exercise good standards of housekeeping and cleanliness;

- vi. follow the emergency procedures in respect of fire and first-aid;
- vii. To ensure that tools and equipment provided are kept in good condition and used appropriately.
- viii. Ensure that ANY health and safety hazards are reported to the School Business Manager or the Headteacher.

8. Staff (teaching and non-teaching) holding positions of special responsibility (e.g. Deputy Head Teacher, Key Stage Managers, Site Manager, Catering Manager, etc)

Staff holding these positions:

- i. Must be responsible for hazards inherent to their work area, completing risk assessment and putting procedures in place to reduce risk;
- ii. Report concerns, or safety issues to the school Business Manager;

9. Particular responsibilities of class teachers/student teachers

The safety of pupils in classrooms is the responsibility of the class teacher. A class teacher is expected to:

- i. Know the emergency procedures in respect of fire and first-aid and the special safety measures to be adopted in his/her own teaching areas and to ensure that they are applied;
- ii. Exercise effective supervision of pupils that they know of the general emergency procedures in respect of fire and first-aid and the special safety measures of the teaching area;
- iii. Give clear instructions and warnings as often as necessary (notices, posters and hand-outs are not enough);
- iv. Ensure that pupils' coats, bags etc... are safely stored away;
- v. Integrate all relevant aspects of safety into teaching process and if necessary give special lessons on safety;
- vi. Follow safe working procedures personally;
- vii. Wear protective clothing, guards, special working procedures etc where necessary;
- viii. Report issues/concerns to the school Business Manager
- ix. When taking playground duty or games lessons teachers need to check that there are no obvious hazards, e.g. broken glass.
- x. Ensure that Trips/visits are risk assessed effectively

10. The Pupil

Pupils are expected to:

- i. Exercise personal responsibility for safety of themselves and others;
- ii. Observe standards of dress consistent with safety and hygiene (this precludes unsuitable footwear, knives and other items considered dangerous);
- iii. Observe the safety rules of the school in particular the instructions of staff given in an emergency;
- iv. Use and not wilfully misuse, neglect or interfere with things provided for safety.
- v. Follow directly the instructions of staff, especially in an emergency situation.

11. Visitors

Visitors are expected to take due care of themselves, their belongings and any persons under their supervision. On entry to the building, visitors should be issued with relevant health and safety guidance for the duration of their visit.

12. Other users of the building

The Headteacher is responsible for ensuring that appropriate agreements are drawn up and signed by other building user groups (Parachute Club, PTA, etc).

13. Fire Safety, first aid, emergencies and critical incidents

Please refer to the emergency procedures document for further instruction.

14. Risk Assessment

Risk assessments should be carried out for all activities that carry an increased risk other than the 'usual' day to day activities of the school. Risk Assessments will be held by the school for 6 years and stored on the school computer shared drive where it can be accessed by all staff.

For example:

- i. School Visits
- ii. Use of heat producing equipment in classrooms as part of the curriculum: candles, kettles, etc
- iii. Significant repairs and maintenance
- iv. Contractors on site

- v. The use of any substances under COSHH
- vi. Significant events on the school premises: School Fairs, discos
- vii. Use of new equipment (where appropriate)
- viii. Working at heights
- ix. Lone Working
- x. Working with chemicals, e.g. bleach
- xi. Particular medical needs of individual children or staff

All risk assessments will undertake review and appropriate amendment: after the particular visit or event, when there are changes which affect the risk assessment, at regular intervals (at least 3 yearly).

15. Accidents

The school follows the LA policy for the management & reporting of accidents/incidents/near misses. Staff should speak to the Business Manager for further guidance.

16. Asbestos

The school building has no asbestos and does not require an asbestos report.

17. COSHH

Staff must not bring their own COSHH products onto the school site.

The Site Manager will ensure that the COSHH products used are assessed and safely stored in Site Manager's room.

18. Display Screen Users

Staff who use a computer for a large proportion of the working day will be offered a DSE assessment. Please speak to the Business Manager for more information.

19. Sun Protection

When the sun is particularly bright, children are encouraged to bring sun hats to school. Sun glasses may also be brought to school at these times. All children are expected to bring sun cream into school in a labelled bottle. Staff will instruct children to apply sun cream before going outside for break times or for outdoor activities/lessons when the sun is particularly bright or if it is hot. In EYFS, staff will show/supervise children how to apply the cream themselves in groups. However, the school cannot take responsibility for replacing lost property items. All staff are asked to be vigilant in ensuring that children do not expose skin to the sun for long periods of time.

20. Administration of medicines and creams

Administration to pupils of prescription medication ONLY must be undertaken by staff that have received the appropriate instruction or training if that staff member agrees. Parents should be requested to complete an 'Administration of Medicines Form'. Children should self-medicate wherever possible. First Aiders are not permitted to administer medication of any description. Analgesics must not be administered or supplied to pupils unless these are accompanied by the appropriate parental request/authorisation.

If a child needs Calpol, Paracetamol or other general pain killers, it is expected that the child is not well enough to be in school; therefore, ONLY prescribed medicine where a doctor has deemed the child well enough to be in school provided they take the prescription, will be permitted.

21. Other related School Policies

Stress at Work Policy; Alcohol and Drug Policy; Domestic Violence Policy; Smoke-free School Policy; Violence to Employees Code of Practice; Fire Safety Policy, Medicines Policy, Security Policy, Manual Handling and Lifting Policy, Restraint and Physical Contact Policy. These documents can be found in the all staff drive, under administration/policies.

22. No Smoking Policy

The school operates a 'No Smoking Policy'. No persons are allowed to smoke anywhere on the school premises including the car park and grounds. This policy is communicated to staff as part of their induction process and annual written reminders are sent to all staff.

Monitoring

The School Business Manager is responsible for the monitoring and review of this policy and makes decisions in line with school policy.
